

TENUTA REGALEALI

LAMÙRI 2022

Made from a selection of Nero d'Avola grapes cultivated on the high hills. It expresses the primary aromas, without excess from the ripening process, it is distinguished by the variety from the warmest parts of Sicily. Different age barriques provide soft and elegant tannins, with subtle hints of wood. Its name comes from the Sicilian word for love, "L' Amore", the same love that Tasca d'Almerita puts into its work.
