About the Wine

With attractive aromas of black fruit and spice, this smooth, ready-to-drink Cabernet Sauvignon is made in Paso Robles with the same care as the highest quality, traditionally crafted Bordeaux-style wines. Our grapes are hand-picked and sorted by-the-berry for consistent quality and flavor. JUSTIN Cabernet Sauvignon then spends fourteen months in traditional small oak barrels to impart depth and complexity, highlighting the exceptional balance of flavors and textures that the unique climate and soils of Paso Robles add to the classic Cabernet character in this exceptional wine.
