

# ***BRUT ROSE***

## ***90 POINTS*** WINE ENTHUSIAST

### **Wine Enthusiast Review:**

We all need a sparkling wine we can open and enjoy without guilt whether by ourselves or with friends. This is that bottle. The wine has an aromatic nose of golden apple, bosc pear, red cherry and white blossom. Tart green fruit makes itself known on the palate and is supported by lemon citrus peel. Refreshing and bright, this bubbly pairs with relaxed evenings, seafood and anything sauteed or fried. — *Reggie Solomon*
