

SILVER OAK

2021 ALEXANDER VALLEY

Cabernet Sauvignon

BACKGROUND

It began with a pioneering spirit and a bold vision to craft the finest California Cabernet Sauvignon, aged exclusively in American oak. At Silver Oak, every step of the process is crafted with intention—from selecting the best vineyard sites to hand-making barrels in our cooperage—to achieve excellence from barrel to bottle and elegant wines of smooth and layered complexity.

VINTAGE

The 2021 season was one of clarity. A dry winter, followed by a cool spring and mild summer, created a growing environment free from extremes. Without intervention, the vines found their rhythm, yielding fruit with remarkable depth and natural concentration and capturing the vibrant character of Alexander Valley.

EXPERIENCE

Uncork the character of cedar, vanilla and clove layered over a lush foundation of blackberry, black cherry and ripe raspberry. The first sip is elegant and assured. Silky tannins provide structure, while bright acidity lifts the rich fruit profile. A broad mid-palate gives way to a long, polished finish that lingers with quiet intensity. A vintage crafted for those who appreciate the art of patience and precision.
